

Quick Sale Comes From Want Ads

Mrs. D. E. Hawlett of 9026 Lemon in Spring Valley didn't have to wait long to sell her dining room set.

She called the Want Ad Center and no sooner were the newspapers delivered than she started getting calls. She sold the furniture, and some miscellaneous items, too.

Her ad was simple. It read:

MAHOGANY D.R. set, 6-upholstered chairs. Two leaves. Like new. HO 6-5951. Sell your furniture, or your unneeded articles without stress or strain. Call 283-5463 or 284-2516 and a courteous salesperson will help you.

First List For Retarded Childrens Aid In Newspaper Subscription Drive

Spring Valley Project Still Alive With 15 Names Added

While Lemon Grove subscriptions to the newspaper are being processed (more than 50 so far) for a Retarded Childrens project, Spring Valley Welfare Association continues to trickle in.

During the week fifteen more families joined the group bringing the Spring Valley total of Welfare aid subscribers to 759.

This brings the total circulation in Spring Valley to 4,166.

In Lemon Grove, as it is with Spring Valley, names will be listed every week of those participating. "Angels Unaware" will be the beneficiary in Lemon Grove. "Angels Unaware" is the day center of the East S. D. County Chapter of the Association for Retarded Children. Funds gathered for them

will be used for playground equipment. The day center is in El Cajon and it administers to youngsters of Lemon Grove and Spring Valley.

LAMBORN
Land Investment Man To Be Rotary Speaker

Dr. T. G. Lamborn, above, whose father lives at 8253 Golden in L. G., president of the Helix Corporation, will address members of the Lemon Grove Rotary club Monday at noon at Michael's. His topic will be "What's Ahead for San Diego County." He is president of the Helix Land Co., Inc. and Helix 1960, Inc., and also is chairman of the board of trustees of the newly-organized Helix Real Estate Trust. He also has just been elected as a trustee of the Association of Realty Investment Corporations, a national organization composed of publicly owned real estate investment groups.

Sups. OK Park Zoning Here

SAN DIEGO (CNS)—Rezoning for parking space behind a Lemon Grove auto parts firm was approved Tuesday by the Board of Supervisors.

Ervin Major had asked for rezoning from R-3 to P zone for his property in the 7500 block on Broadway.

Only one neighbor, Dr. Spencer Bell, objected.

Other neighbors signed a petition in favor of the rezoning as a way to furnish badly needed off-street parking in the area.

This Saturday is "T-Day" in Spring Valley. Some 80 volunteers are to tackle the tumbleweed problem with the aid of the fire department in the community's second annual effort to rid the scene of tumbleweeds.

Last year the L. G. VFW spearheaded a "T-Day" with Hibbard Stubbs as chairman.

REV. BAKKEN TO BAPTIZE AT L.G. LUTHERAN. Rev. H. C. Bakken will administer baptism at Lemon Grove Lutheran Church at the 11 a.m. service. He announced that anyone wishing to be baptized should call 469-3313 before Sunday.

As the names imply, a list of the hearings and an index for checking them are involved.

It's Like Wild ... But It's Fun

"I'm going to dry-clean a limited number of men's suits and women's dresses free of charge for Lemon Grove Crazy Days ... and I'm going to give each of the persons for whom we do the free work a 5 cent stamp so he can write to his friends and tell 'em how crazy trucks will be offered for publication here this week."

This offer sets the theme for Lemon Grove April Fool Crazy Days to be held here March 29 through April Fool's Day.

The promotion will be published as a section in this newspaper.

Other cool, crazy offerings include a coffee pot and free coffee at every corner; free coffee in the insurance office of at least one broker who says he will survey all insurance free of charge of anyone who requests it during Crazy Days; free radio repair; free lube jobs; free credit card cases; \$49.50 power mowers (a whole load of 'em) for \$9; free saw sharpening at a hardware store; a free house of paint; choice of full meals for 50 cents or 25 cents. (The 50 cents is deluxe.)

Of course there's going to be carloads of specially marked-retail bargains for the thrifty housewife.

In addition to savings (and that's always welcome) the whole event is going to be fun.

Watch this paper for more announcements.

No 'T-Day' Planned Yet For Lemon Grove

The Lemon Grove Fire Department said this week that no organization anti-tumbleweed drive like last year's has yet been planned for the community.

The department has a standing offer to come out and burn piles of tumbleweed gathered by private citizens however, Capt. Foot said.

This Saturday is "T-Day" in Spring Valley. Some 80 volunteers are to tackle the tumbleweed problem with the aid of the fire department in the community's second annual effort to rid the scene of tumbleweeds.

Last year the L. G. VFW spearheaded a "T-Day" with Hibbard Stubbs as chairman.

Lemon Grove, California

SWORN IN — Harry Griffen (center) of 8305 Alton st., Lemon Grove, who has been a director of the Helix Irrigation District for the past 12 years, was one of three directors who took the oath of office last week following their re-election February 5.

Griffen was then re-elected as president of the position he has held for the past four years.

In the photo are Carl Mehl, assessor-collector-treasurer, who was re-appointed to that post; and Directors Nat Eggert, Griffen and Mrs. Mabel Bryan. Neither Eggert nor Griffen

had opponents in the election. Mrs. Bryan easily defeated her opponent. Neil H. Evans, district Right of Ways representative who is notary public, is shown swearing in the group.

Not in the photo is Margaret Penry, who was re-appointed Board Secretary, and Bob Rundell, who was elected vice president. John Gibson is the other Board member. Neither of the latter were up for re-election.

At the ceremony, the Board agreed to start budget discussion the first week in June, according to Bryon Miller, district manager.

You Can Sell It If You Tell It, Men's Club Told

The Lemon Grove Men's Club kicked around the proposition of incorporation Friday in an open forum type of meeting and then voted to have more speakers on that subject and other subjects of community make-up interest.

The incorporation discussion followed a joint meeting of the Men's Club and the Chamber the week before when E. Remsburg, editor-publisher of the Vista Press told the group of that new city's operation.

The group also heard a discussion Friday concerning "Crazy Days" a town-wide promotion. Jack Cummings, Bank of America manager, and Don Johns, B. F. Goodrich manager told of the plan to re-attract shoppers to the business community through promotions.

Biggest, Best, Friendliest. "We've got the biggest, (Lemon Grove business section) best and friendliest shopping center in the east county if we promote it properly," Johns said. Testimonials of promotional

results were given by Johns ("My store is the second highest in sales gain of all the B. F. Goodrich stores in America"); Jim Spears, club president, who said the most vehicles ever sold by his firm in its L.G. history was moved in February, 1963, and Harry Burris, operator of L.G. Rexall Drugs who said "our sales are far higher month by month than they were at any time in 1962."

John Dail, local insurance-

man, who is on the promotion committee with Johns, Lew Brouillard and Cummings, said that the promotion will be the turning point for many retailers who have been suffering from lack of business due to lack of merchandising.

Brouillard, local hardware store operator, said that if retailers did nothing more than paint up their store fronts to lend the look of excitement to

Goodwill - School Collection Drive Opens Here Monday

A clothing drive will be held in seven schools in the Lemon Grove school district, starting next Monday, it was announced by Charles Spisak, public relations director of the Goodwill Industries of San Diego county.

Spisak said that the drive "was approved by Byron Netzel, superintendent of the district, and that details of the collection were worked out with the principals of the various schools, which have a total enrollment of about 3000.

The opening drive will be held at Palm Junior high school starting Monday when Goodwill bags will be distributed to the students, who will take the bags home, to be filled with discarded clothing, shoes, and other household items.

Students will bring the bags back Friday when the Goodwill trucks will pick up the materials and take them to the Goodwill Industries plant in San Diego, where 176 handicapped workers will repair them for sale at marginal prices in the seven Goodwill stores, one of which is located in Lemon Grove.

This will be a pilot project.

since most of the drives previously have been held in elementary schools, said Spisak.

The rest of the drives will be as follows:

Golden Avenue Elementary school, bags distributed on March 25, and returned March 29; Vista La Mesa elementary school, April 15; Mt. Vernon elementary school, April 15-18; San Altos elementary school, April 22-26; Monterey Heights elementary school, April 29-May 3, and San Miguel elementary school, May 6-10.

Lawmakers' Books Now At Library

Followers of the State's Legislative processes will be able to keep up better beginning this week.

Current copies of the Assembly Weekly Hearings and current Legislative Index are being supplied to the L.G. Library through the good offices of Legislator Dick Donovan.

He sends the complete series to this newspaper's office and we, in turn, deliver them to the library.

As the names imply, a list of the hearings and an index for checking them are involved.

L.G. FAMILY OF FIVE IN HEMET HOSPITAL

Co-Ordinating Council Regroups To Aid In Block Family Disaster

Lemon Grove's "disaster" family is improving and the L.G. Co-Ordinating Council is going to try to help make the recovery faster.

John Jensen, past president of the Lemon Grove Co-ordinating Council, this week revived the Council's Community Resources Committee to provide disaster aid for the Vernon Block family.

He named Mrs. Stanley Yanchul, 7449 Tracy, and Mrs. Betty Ruiz, 8029 Longdale, as co-chairmen of the committee. Mrs. Ruiz is also president of Mt.

Vernon PTA. Mrs. Yanchul is the wife of Dr. Stanley Yanchul.

All Injured

The Blocks, all five of them, of 2305 Washington st., Lemon Grove, were seriously injured March 3 in a head-on collision 38 miles east of Hemet. Both cars involved in the accident exploded and burned. The driver of the other car whom officials

said was at fault, died in the accident. The Blocks are in separate rooms at the Hemet hospital.

Mr. and Mrs. Block suffered multiple head, face and neck injuries and Block suffered broken heels.

Natalie, 13, a student at Palm Junior High is in traction. Her leg is broken in two places.

L.G. Band Cops 'Superior' Rating In Annual Festival

Lemon Grove concert band earned a "Superior" rating Saturday at the annual district festival sponsored by the San Diego County Music Educators Association. Performing at Clairmont High School in San Diego, the 75 member band from the Lemon Grove Elementary District won recognition under the direction of Harry G. Wesigerber, local instrumental instructor.

"I enjoyed your group very much," stated one of the judges. "Keep up the fine musical

job." The superior rating followed the band's performance of "Glorious America" March by King; "Andante and Moderato" by Akers; and "Fitzwilliam Suite" arranged by Gordon.

The Junior High Orchestra achieved a rating of "Excellent" while playing "Welsh March" arranged by Matesky; "Hymn to Diana" by von Gluck; and "English Country Dance" arranged by Wultera.

Comments from the judges concerning the orchestra included:

Grove Woman Fined \$500

Mary Alice Plain, 2765 Citronella st., Lemon Grove, was fined \$500 and put on three years' probation Wednesday. She was found guilty of practicing medicine without a license.

She had been charged with giving medication, marriage counseling service and psychiatric care to members of the Four Square Church in Lemon Grove.

Civil Defense To Organize Service Center Plan Here

A Civil Defense meeting to organize the Lemon Grove Service Center will be held Monday at 8 p.m. at the Lemon Grove Youth Center, William B. Marty, administrator of the County Civil Defense said this week.

Approximately 45 community organizations such as school PTAs, churches, service clubs and veteran groups have been invited to attend, he said.

"The County CD Organization is arranging this meeting to inform Lemon Grove lead-

ers about the new Service Center Plan adopted by the County Civil Defense and Disaster Councils," he said.

"We expect to explain how individuals and organizations in Lemon Grove can take part in emergency Service Center activities."

Five emergency services are to be organized here for Medical, Emergency Welfare, Radiological Defense, Coroner and Communications operators.

Personnel for each of these services will be obtained from within the community, Marty

said. Each such service will be under the direction of a "Head of the Service." Selection of such leadership will be an objective of the meeting, he said.

H. C. Stubbs is the civil defense public information representative of the Lemon Grove Service Center.

Marty said that the Service Center plan replaces the old Zone structure of the County Civil Defense in the unincorporated area, which existed before the establishing of the Unified Organization.

Is Your Market Man A Good Egg?

Are your super-market egg products costing you more but pleasing your taste less?

If so, then heed this! Market operators may have more to fear than just government control over honesty in packaging. There may soon be a rebellion by which shoppers will return to the smaller market operator with whom they have trusting and friendly contact. This compares with the cold, automated personality of many super-markets as they get bigger and bigger both in purchasing and in management.

We address ourselves to this difference which can be measured in faith and trust as a nauseating merchandising racket recorded by the California Consumer Counsel as revealed last week.

A cross-country egg racket has resulted in heavy sentences for four persons in N.J. after all pleaded guilty to using incubator reject eggs for human consumption, according to the counsel.

Federal Food and Drug inspectors provided the evidence after the stuff had been shipped interstate. Evidence showed that incubator reject eggs were removed from hatchery incubators after 18 to 21 days in a 100 degree temperature and almost 100 percent humidity by the racketeers. Usually the eggs were partially decomposed and often-times contained dead chick embryos.

The eggs were broken into cans, partially sterilized and mixed with good eggs or deodorizing chemicals. They were then looked like scrambled eggs ready for frying; they were then frozen and offered for use in food manufacturing.

According to Consumer Counsel, interstate shipment of such eggs for food purpose is illegal under the Federal Food, Drug and Cosmetic Act. If such eggs are denatured by adding kerosene, cresote, etc., they may be shipped interstate, but only for industrial uses.

Unfortunately, we have been unable to learn the brand name of any foodstuff so contaminated.

Another Market Burglarized Here

When the owners opened Skyline Foods, 1505 Skyline dr., L.G. Saturday, something appeared to be missing.

Missing, they soon learned, was \$95 in change taken from the cash registers during the night. Sheriff's deputies found a washroom window open and a

front glass, previously broken, had caused the firm to shut off the market's burglar alarm system.

The victim was not insured. It was the second market burglary here in as many weeks. The week before they tapped Ralph's Market for \$500.

Parkers Picked Up

It was a parking lot that John Michael Krawchak, 20, of 7561 Madison, L.G. was parked in... but it was 11:45 p.m. and the sign read "No Parking."

The parking lot was that of the L.G. Car Wash at 7457 Broadway.

When sheriff's deputies stopped to see why there was a car parked on the "no parking" parking lot they found the car contained Krawchak and Herbert B. Thorton, 20, of 8226 University, L.M.

Officers also allegedly found two quart bottles, partilly filled with beer.

Krawchak claimed no knowledge of the intoxicant. When Thornton was questioned about the police "I wish you would charge me with auto theft and I would get you, boy."

The officers charged Krawchak with loitering on private property and possessing alcoholic beverages. They charged Thornton with possession of alcoholic beverages and impounded his car.

Doesn't Live Here

The address given by James Edward Bolstein, who was arrested last week on a drunk charge, was incorrectly given at 1625 DuPont dr., L.G. according to Mrs. Bobby Gahn, who lives at that address.

Mrs. Gahn says she knows the man but that he does not reside at that address.

Antenna Broken

Mrs. Robert Holcomb, 7640 Canton dr., L.G. told the sheriff someone broke the radio an-

tenna off her car one night last week.

Contractor Booked

Henry Eckler, 57, a contractor of 8452 Mt. Vernon, suffered a citizen's arrest at the hands of his wife after he threatened her and the children Thursday. She said he had been drinking for several days. He admitted to police that he had. They booked him.

Bad Check Cashed

Food Basket market turned a \$35 check over to the sheriff with a bank notation on it "closed account." The check bore the signature of Marshall O. Gagen, 2882 Helix st., S.V.

Bank Loss Listed

A report of forged checks amounting to \$1,190 was made this week to the Sheriff's office by Southland Savings and Loan, Broadway and Main, Lemon Grove.

Bank officials said that Perry J. Farrington, also known as P. J. Alden, now a County Welfare recipient, had endorsed checks with a forged signature for more than a thousand dollars during various periods for the past two years.

The Chase bank of Manhattan issued the checks quarterly for approximately \$150 each and Farrington-Alden allegedly signed them although his wife died in August, 1960.

Husband Missing

Priscilla English told the sheriff that her 18-year-old husband of six months left the house at 7470 Beryl st., Lemon Grove, and hasn't been heard from since.

She said they had no arguments and apparently no reason for leaving. He had about \$100 with him.

At the Pit Stop on University Ave., where he worked they had not seen him either, the police said.

L.G. Firm Gets Second Call

The L.G. Western Auto firm, 7771 Broadway, isn't going to be able to recover two checks bearing the name of Ralph J. Clem for \$15 and \$103.57.

Sheriff's deputies here were notified by the district attorney in Rio Linda that the writer is wanted on two counts, which have precedence over the latter ones, so the L.G. complaints will have to wait.

Intruder Made Easy

An intruder visited the eVrnon D. Langpap residence at 1534 Koe st., L.G. last week and took nothing but money. Several bills and \$8 in change was filched from various drawers while the family was away.

The fact that Langpap kept and extra key hanging in the patio was believed to have made the burglar's job simpler.

Mauser Missing

Howard Beam, 2058 Ensenada, L.G. protested to the sheriff that someone had stolen his Mauser German rifle from his home. He reported it this week but doesn't know exactly when it was taken.

Trustees' Slate Narrows As Four Pull Out of Race

Four candidates have withdrawn from two of the three school board elections to be conducted locally leaving a still hefty slate of seventeen.

Gerald R. Hamann, Santee, and Jack C. Mayer, Casa de Oro, announced this week that they had withdrawn from the race for school board seats in the Grossmont High School-Junior College district.

Remaining in the ballots are Robert Brown and Portia Goode, incumbents. Cyril Pewtress, George Birch, Anna Curley, Geraldine Gill, Lester Julian and Edgar Welty will attempt to unseat Brown and Goode.

In the Spring Valley-La Mesa District, Norman Kay and William Roberts have withdrawn. Two incumbents are not seeking re-election. Remaining candidates are William Johnston, Robert Andreen, Dr. James Ketchum and Charles Miller.

The county registrar of voters office said that no other names would be removed from the ballots for the April 16 elections.

In Lemon Grove, Robert Sjogren is seeking re-election and Ray Lange is not. Candidates for Lange's post are Lyle Stumbaugh, Dr. Frank Phillips, Dean Bistline and Dona Clabhey.

Through CARE, individual initiative is marshalled to help feed the hungry, heal the sick and to give less privileged people the means to help themselves.

Estimates are that the Blocks' hospital bill will run about \$100 a day for the family. Meanwhile, household expenses run on.

Block is an unemployed construction operating engineer. Mrs. Block is a bakery employee.

Jim Boyd, State Farm insurance agent, said the family has \$1,000 a member medical hospital insurance. It was not known whether the other driver had liability insurance.

Boyd, who is also serving on the committee, said that he would ask his firm to treat the Block family matter with urgency, as soon as it could be ascertained what their needs are.

Mrs. Ted Block said that immediate needs are for two wheel chairs for the youngsters with the broken legs. Within hours one was made available from the L.G. Rotary club.

All members are showing "steady progress" this week, she reported.

Hope For Better Bill On Smut Mothers Told

Changes in pending bills against obscene literature were recommended to the Confraternity of Christian Mothers Thursday at a meeting at the L.G. junior high school.

San Diego City Attorney Alan Firestone, principal speaker, said the Chapel Bill, authorizing prosecution by the state attorney general and county district attorneys, should be enlarged to include city attorneys.

He also suggested that juries should be allowed in smut cases. The present bill limits the rulings to judges of the court.

Firestone said a phrase "utterly without social importance" was used to defeat many attempted prosecutions.

"Gone With The Wilderness," a color movie will be the San Diego County Audubon Society's final 1962-63 wildlife film to be shown at Roosevelt Junior High auditorium at 8 p.m. on March 15. Tickets are sold at the door.

THREATENS SUIT COUPON BOOK FIRM

A two-count complaint filed in El Cajon Municipal Court against a coupon sales and distribution firm was dropped Monday.

The plaintiff, Donald Hammond, manager of Grossmont Center's Goodyear store had charged Q & E Advertising Inc., and Park Dana, president of the firm with violation of the Municipal Code on soliciting.

Meanwhile Dana, who had applied for licenses from the City of La Mesa, had not been successful in obtaining them as late as Wednesday.

Dana said his firm would possibly sue Hammond and the Goodyear firm. He said the charge would "probably be slander for saying we misrepresented."

He said the (City of) La Mesa people were "double talking" him and some of them are attempting to prevent him from getting licenses "although we are legal and legitimate."

Dana's firm distributes two coupon books he calls "Red Carpet." Customers pay \$6.99 for one of the books and are supposedly able to get "over \$600 worth of free gifts and services" with them.

The restaurant edition of the coupon book requires a purchase of equal value to be made to make the coupon valid.

Catholic Women Meeting Scheduled For Monday Noon

Members of St. Joseph's Arch Confraternity of the Blessed Sacrament will serve as hostesses.

A program will follow the luncheon and business meeting. Reservations should be made by Friday by calling Mrs. George Sommers, 233-3846 or Mrs. T. Santay, 239-7078.

SQUARE DANCE SET FOR SCHOOL SATURDAY

Square Dancers will hold a March Madness dance party Friday at Carver Elementary school at 8 p.m.

CHICKERY CHICKS - Little peep-peeps and cheep-cheeps filled the air in a Rancho Elementary school classroom lately when eggs the children had kept in an incubator for 20 days produced seven baby chicks. Immediately the children in Mrs. Carol Carlson's room sent out announcements to their parents. Mrs. Carlson said that the arrival of the chicks is one of the year's major events in the class.

This is borne out by this picture which shows the excitement and satisfaction of these children who are some of the 40 who waited impatiently for the eggs to hatch. They are (l to r front) Debby Mooney, Cynthia Reinbach and Bruce Call; (l to r middle) Vincent Real, Dawn Sing and Chuckie Mumaw and (l to r back) Mark Miller, Timmy Badger and Mark Guthaus.

LOCAL RESIDENTS TO TAKE PART IN JEHOVAH'S WITNESS CONVENTION

Mr. and Mrs. Harry C. Fuller, Mr. and Mrs. Wallace E. Bunt and Mr. and Mrs. J. V. Harris are members of the La Mesa-Lemon Grove Jehovah's Witnesses Congregation that will be attending the March 22-24 Circuit Assembly of Jehovah's Witnesses at Del Mar Fairgrounds.

About 2,400 are expected at the event to be held in Bing Crosby hall. Valleyite Edgar A. Flinn is head of one department of the planned assemblage.

Cross Is Theme During Lenten At VLM Church

The cross, central symbol of the church is providing the theme for Lenten Season at Vista La Mesa Christian Church, according to Rev. Richard G. Davis, pastor.

Sunday Rev. Davis will bring the first message in a series on the cross when he talks on "What Happened?"

Music on Sunday morning will be "Psalms of Praise" at the 8:45 service by the Carol Choir and "Come Let Us Worship" at the 10 service by the Sanctuary Choir.

Coffee fellowship will be at 11 a.m.

L. G. school trustees, their faces wreathed in smiles like Cheshire cats, (because the over-ride election passed) went about the job of setting of summer school for L.G. youngsters. Summer school was scheduled for cancellation had the election failed.

They named Bob Sutton as principal of junior high school and Douglas Giles as principal for two grade schools.

Golden and San Miguel have been chosen tentatively and L. G. junior positively for the locale.

A resolution was passed by the board and issued by President Warren Buckner to the 500 members of the Citizens Committee for schools to express appreciation and commendation to those who assisted in the mechanics of the over-ride election.

Praised were the persons who conducted meetings, canvassed homes, telephoned voters, mailed brochures and otherwise informed the community of the financial crisis which existed.

DRIVER TESTERS NEEDED BY MOTOR VEHICLES DEPT.

Drivers license examiners are needed in Southern California. Department of Motor Vehicles is seeking men for appointment as examiners in DMV field offices in fourteen counties, Mono, Inyo, Tulare, Kings, and San Luis Obispo, southward to the Mexican border.

Ennis Scott, manager of the DMV office at La Mesa, said information and application forms for the competitive civil service examination to be given for the positions are available from his office on Palm st. The final filing date for the examination, he said, is March 22. Application forms postmarked before midnight of that date will be accepted. The examination is scheduled for April 13, and entrants will be notified of the locations in Southern California where test will be conducted.

Requirements for the position include U.S. citizenship, education equivalent to graduation from college, or four years of experience in a position requiring such activities as discussion with the public, emphasizing explanation or interpretation of a product, policies, or procedures of an organization. Applicants must have been residents of California for one year before the date of the examination.

Scholarship Qualifiers Named Here

The California State Scholarship Commission has released to the senior counselors in Grossmont District high schools names of students qualifying as semi-finalists in this year's state scholarship competition. Selected on the basis of scholastic aptitude scores of the College Entrance Examining Board, semi-finalists now submit transcripts of credits and statements of financial need.

These are judged by a committee of admissions and scholarship directors on standards set by colleges throughout the country, and those to receive scholarships are named on April 10.

A state scholarship is not a prize for academic aptitude and achievement but is a grant of money for tuition and fees for the exceptionally able student who needs financial assistance to further his education. Money can be used for tuition and fees only at one of sixty-four-year liberal arts colleges and universities or one of twenty-four-year specialized institutions in California.

Awards at independent colleges run from \$300 to \$900 and at the University of California and state colleges are \$180 and \$100 respectively. Scholarships are for one year and renewable each year until graduation.

Persons involved at local high schools include:

MONTE VISTA HIGH SCHOOL

Robert Brady, Counselor
Students: Mary Bonaventura, Sharon Camp, Gary Glaser, David Morgan, Charles Spalding, III, Lynn M. Williams.

MT. MIGUEL HIGH SCHOOL

Mrs. Venalee Field, Counselor
Students: Charlotte Boston, James Bowersox, David Carpenter, Karen Dahl, Diane Defidibus, Thomas DeGraff, Charles Hansen, Thomas Langpap, Joyce Lusk, Larry McCollister, Thomas Langpap, Frank Whigham, Ronald Williamson.

WHAT'S DOING

Streeter King, your telephone manager in Lemon Grove.

This is the "grand-daddy" of every new telephone handset we install. It's a picture of the steel model from which we make molds for plastic telephone handsets. And it's as precision perfect as

modern men and machines can make it. Last year from this model came more than 11,000,000 handsets to go with every phone from little Princesses to large Call Directors. It's a "shining example" of how good design pays off in mass-production—and telephone economy.

When out-of-town family or friends have a birthday, telephone your greetings. It's easy and it's fun to send your birthday wishes across the miles by telephone.

Additional listings in the telephone book for other members of your family are a good way to insure they won't miss out on any calls. You can find more about this service with a call to your La Mesa telephone business office. 466-3201

Planning to move? It's a good time to start planning for those extension phones you've always wanted. At no extra installation charge we'll put in extension phones when we install your new service. If you'd like some help in deciding the kind of phones you want, and where they can be placed to serve you best, just call 466-3201 or talk to your telephone service man.

One of our safety men said it, and all our telephone drivers agree: Fastening your seat belt is one "snap" decision you'll never regret.

Cajon Speedway To Open Again

Cajon Speedway is proud to
announce the signing of a con-
tract with the El Cajon Racing
Assn., a non-profit corporation
designed to give the racing car
owners and drivers a chance to
share in the racing opportuni-
ties in the county. The group is
made up mostly of last year's
stock car participants who elect-
ed officials at the end of the
season. They will handle the
racing for two new racing
groups to be formed to race at
Cajon Speedway in El Cajon.

Claiming stock cars, so popu-
lar last season with wall bust-
ing, fence climbing spins and
rolls will be hard pressed for
fan support with the new fast
action super Stock cars with
high speeds and fast action.
Fast action with racing pro-
grams that start and finish on
time are promised by the new
group. New equipment and
track improvement will bring
the finest racing ever to Cajon
Speedway in 1963.

Auto Racing Season opens
April 5th at Cajon Speedway
with the claiming stock cars
providing the first bill. All races
this season will start at 8 p.m.
with qualifying starting and the
gates opening at 7 p.m.

P. E. Course For Men 35-55 Offered At State

A fitness program planned to
stretch the active-years span of
the middle aged desk worker
has opened for fresh recruits
at San Diego State.

The twice weekly evening
course aims at improving gen-
eral health and fitness, encour-
aging relaxation and building
resistance to fatigue. It is de-
signed for men in the 35-55 age
bracket.

There is evidence, according
to Dr. Fred Kasch, professor of
physical education and director
of the course, that the program
also has a "profoundly favor-
able effect on the cardio-vascu-
lar system and serves gener-
ally to slow the aging process."
